

SYED MANSOOR ALI, PhD

Associate Professor | Translational Research

Translational Research Lab
Department of Biotechnology
Jamia Millia Islamia, New Delhi – 110025

PROFESSIONAL PROFILE

Academic researcher and biotechnology educator with more than 12 years of teaching experience and extensive research experience in translational immunology, lung inflammation, lung cancer, ARDS, microRNA biology, bioinformatics, and systems biology. Experienced in postgraduate teaching, research mentorship, and interdisciplinary biomedical research.

POSITIONS & EMPLOYMENT

Associate Professor | March 2024 – Present

Department of Biotechnology, Jamia Millia Islamia, New Delhi – 110025.

Assistant Professor | March 2016 – 2024

Department of Biotechnology, Jamia Millia Islamia, New Delhi – 110025. Teaching Immunology and Molecular Biology to postgraduate students of Biochemistry, Biotechnology, and Bioinformatics.

Associate Research Scientist (Faculty) | May 2011 – May 2015

Yale University School of Medicine, New Haven, Connecticut, USA. Research mentorship for MD/PhD fellows and undergraduate students.

Postdoctoral Fellow | May 2008 – April 2011

University of Illinois, Chicago, Illinois, USA. Research mentorship for MD/PhD fellows and undergraduate students.

ACADEMIC & RESEARCH EXPERTISE

- Translational immunology and pulmonary inflammation
- Lung cancer and ARDS research
- microRNA (miRNA) biology
- Cellular and Molecular Biology
- Human Physiology
- Bioinformatics and systems biology
- Postgraduate teaching and research mentorship
